Now let's combine structure, purpose, and pattern to make more sentences.

SUBJECT/PREDICATE

Subject- the part of a sentence about which

Predicate- the part of a sentence which says something

_____ (try finding the verb first. Usually, the verb plus all that comes after it is the predicate.)

Examples:

Draw a line between the subject and the verb to find the predicate. Now, let's classify one of these. What is the Structure? Purpose? Pattern?

Jesus lives.

Jesus loves everyone.

Lola plays softball.

Houston lives in Apex.

Create your own sentence. Can you classify it?
